

NORTHERN PROVINCIAL FESTIVAL 2016

Saturday 8th October, 12noon, York Minster

The Children's Workshop (for children aged 4-11) is **FREE**, but we do ask parents of children wishing to take part to complete the attached Form and send it to the Workshop Organiser as soon as possible. This is to help us make sure that there are sufficient Workshop Leaders to help your child get as much out of the Workshop as possible.

On arrival children taking part should be brought to the **Minster Chapter House** by their parent or another responsible adult (the door is off the north transept, down on the left from entering the Minster). The Workshop will begin at 11.30am and continue during the first part of the mass: the children will return to join the rest of the congregation at the Offertory. After mass, children **MUST** be collected by a parent from St George's Chapel, across the Minster from the Chapter House. The Minster is a large building, and for the children's safety they will not be allowed to wander off alone.

The safety and care of the children who attend the Workshop is of paramount importance. All volunteers at the Workshop will have undergone Child Protection Procedures similar to those in place in your own parish. If you would like any further information, please contact the Festival Child Protection Co-ordinator (details below).

Illnesses

Please Note - For the welfare of all those taking part, children and young people with infectious illnesses should not attend the Workshop.
