Children's Workshop

The Children's Workshop (for children aged 4-11) is **FREE**, but we do ask parents of children wishing to take part to complete the attached Form and send it to the Workshop Organiser as soon as possible. This is to help us make sure that there are sufficient Workshop Leaders to help your child get as much out of the Workshop as possible.

On arrival children taking part should be brought to the Lady Chapel on the **South side of the Cathedral**. The Workshop will begin at 10.30am and continue during the first part of the mass: the children will return to join the rest of the congregation at the Offertory. After mass, children **MUST** be collected by a parent from the Lady Chapel.

The safety and care of the children who attend the Workshop is of paramount importance. All volunteers at the Workshop will have undergone Child Protection Procedures similar to those in place in your own parish. If you would like any further information, please contact the Festival Child Protection Co-ordinator (details below).

Please complete the Reply Slip to the right, detach it, and send it to **The Child Protection Co-ordinator** at the address below.
